Digital lifestyle iPod projector

ViewSonic’s PJ258D ViewDock projector sets the bar for digital lifestyle projectors by converging entertainment excitement with professional practicality. The integrated iPod dock lets you PROJECT CONTENT DIRECTLY FROM YOUR IPOD WITH VIDEO for larger-than-life pictures and videos. The array of projector connectivity options allows you to connect a PC, DVD player, game consoles and more. The PJ258D uses Texas Instruments DLP technology for RAZOR SHARP DIGITAL IMAGES and brilliantly displays 2000 lumens for use in virtually any setting. Its stylishly contoured design is sophisticated enough for the contemporary mobile professional and convenient enough for the entertainment aficionado. Your projector doesn’t have to be lacklustre anymore as ViewSonic’s PJ258D ViewDock elevates the status of your digital lifestyle.

LIFE-SIZE YOUR iPod

> Bright in virtually any setting with 2000 lumens
  Packs 2000 ANSI lumens in just 1.8kg. It’s the bright choice for multimedia presenters.

> Life-size your iPod with video
  Dock and charge your iPod with video in the projector’s docking station. Share your videos, podcasts, games and presentations in larger-than-life fashion.

> DLP technology
  Stunning all-digital clarity delivers lifelike colour, sharp graphics, and outstanding video.

> Ultimate video source flexibility
  Connect a computer or add a video source for dynamic meetings and presentations.

> Supports HD signals including 720p and 1080i
  Capable of displaying HD signals as well as other video and data sources.¹

> Easy set-up and auto-tuning
  One-touch set-up button for fast, easy sync and sharp focus.

> Unplug and go
  Direct off feature lets you unplug the projector and go.
